**MARRIOTT HOTEL
FEBRUARY 19th - 22nd, 2024**

Welcome to 2024!

The Secretariat welcomes you to the 3rd Annual Guyana Energy Conference and Supply Chain Expo under the theme:

FUELLING TRANSFORMATION AND MODERNISATION

The Guyana Energy Conference and Supply Chain Expo provides a unique platform to discuss pertinent issues around the development in Guyana and Global best practices. In addition to the energy discussions, there will be a key focus on a number of industries for potential investment, such as, Health Industry, Information & Communication Technology Industry, Tourism Industry, Manufacturing Industry, Agriculture Industry & Mining sector. Guyana's development is contingent on the growth of our people, as such, there will be substantial involvement of youths with an emphasis on diversity.

Guyana Energy Conference and Supply Chain Expo fosters the growth and creation of strategic alliances among companies and industry experts. Participants will network with key stakeholders including operators, international service companies, government agencies and government officials.

We look forward to seeing you there!
