

With the initiative of the president of the Republic of Uzbekistan Sh. M. Mirziyoyev, the construction work of the “Bukhara city” project in Bukhara has begun.

The Bukhara City project is the largest construction project in Bukhara which covers an area of 83 hectares; in addition it takes 3 min from Government building (1,7 km), 8 min from airport (3,3 km) , 6 min from Old city (2.8km) by car.

Studio Vertebra company from Turkey is selected as Project Manager for the overall project to enhance the attractiveness of the object, to build it in accordance with national architecture, in line with international standards, namely Bukhara city is going to be smart city, based on new technology and modern design.

In this regard, the Directorate “Bukhara City” invites foreign investors as well as entrepreneurs to participate in the construction of modern buildings by investing in business and residential center “Bukhara City” with the capital amount of \$500 millions, in which 12 hotels, 34 residential buildings, 2 modern schools, 3 kindergartens, clinic, banks, café and restaurants, sport center, museum, library, offices, residential buildings and other business and entertainment centers will be built. It should be noted that, the relevant participants in the construction of the project, also foreign investors presented privilege on tax and customs duties on implemented projects in the “Bukhara city” complex.

In addition, in the “Bukhara City” there are huge land areas and other investment opportunities that will interest you. We are ready to discuss all the details and invite you for further cooperation. All details will be discussed during the meeting with the region’s governance for a profitable investment.
